# Your delivery team

# Project aims and objectives

1. **Develop teaching & learning**, related to **general literacy, academic writing and research skills** to support FE learners undertaking qualifications that could include **Advanced Skills Baccalaureate Wales or Extended Project qualifications**.
2. **Develop resources** to support students with academic writing in various subject areas.
3. **Develop continuing professional development (CPD) tools and teaching and learning resources** to enable lecturers to deliver **literacy upskilling and academic writing programmes**.

# Discussion task

- Why are you here today?
- What benefits do you hope to achieve in attending?
- What are your establishments strengths/areas for development in terms of academic writing?
